Ethical Commitment Form for External Researchers

Research Project: _____

External Researcher Name: _____

Institution/Organization: _____

Date of Commitment: _____

Commitment:

I, the undersigned, as an external researcher, hereby fully commit to the principles and ethical standards approved by Lusail University for conducting research. I pledge to adhere to the following:

1. Comply with Lusail University's research ethics policy in relation to the research I participate in.
2. Obtain all necessary approvals from participants according to the approved ethical standards.
3. Protect the confidentiality and privacy of all participant data and use it solely for research purposes.
4. Ensure accurate and transparent reporting throughout all stages of the research, including data collection, analysis, and publication of results.
5. Immediately report any ethical violations or issues that arise during the conduct of the research.
6. Not allow any external party to influence the research results or control their publication.
7. Cooperate with the University Ethics Committee when required and agree to any review or follow-up processes.
